You can order and take our suggestions directly at our reception all day until 8 pm. We do not provide room service.

These dishes can be enjoyed either in your accommodation or on the terrace of our establishment with sea view.

Remember to accompany your dish with a glass or bottle of wine. We have taken great care in creating a wine list with a selection of the best wines from our beautiful French regions (see the wine list in your room directory or at the bar)..

A little advice to avoid stock shortages:

Our chef prepares his dishes every morning, we advise you to anticipate your orders in order to reserve the specialities you want.
